In re Application of Stefan M. Pulst et al. Application No. 10/782,375

Filed: February 18, 2004

Attorney Docket Number: 66783-145 Title: PARKIN INTERACTING

POLYPEPTIDES AND METHODS OF USE

DECISION ON PETITION UNDER 37 C.F.R. §1.137(b)

This is a decision on the petition, pursuant to 37 C.F.R. §1.137(b)<sup>1</sup>, to revive the above-identified application, filed on July 12, 2005.

The above-identified application became abandoned for failure to reply in a timely manner to the Notice of Missing Parts (notice), mailed August 13, 2004, which set a shortened statutory period for reply of two (2) months. No response was received, and no extensions of time under the provisions of 37 C.F.R. §1.136(a) were requested. Accordingly, the above-identified application became abandoned on November 14, 2004. A Notice of Abandonment was mailed on May 13, 2005.

With the present petition, Petitioner has submitted the petition fee, the basic filing fee, a declaration, the fee associated with the late submission of the same, a sequence listing, and the proper statement of unintentional delay.

<sup>1</sup> A grantable petition pursuant to 37 CFR 1.137(b) must be accompanied by:

<sup>(1)</sup> The reply required to the outstanding Office action or notice, unless previously filed:

<sup>(2)</sup> The petition fee as set forth in § 1.17(m);

<sup>(3)</sup> A statement that the entire delay in filing the required reply from the due date for the reply until the filing of a grantable petition pursuant to this paragraph was unintentional. The Commissioner may require additional information where there is a question whether the delay was unintentional, and;

<sup>(4)</sup> Any terminal disclaimer (and fee as set forth in § 1.20(d)) required pursuant to paragraph (d) of this section.

As such, the petition is **GRANTED**.

Telephone inquiries regarding this decision should be directed to the undersigned at (571) 272-3225. All other inquiries concerning examination procedures or status of the application should be directed to the Technology Center.
